

Receipt Capture & Tracker Privacy Policy

Effective Date: February 10, 2026

1. Introduction

Receipt Capture & Tracker ("we", "our", or "the App") respects your privacy. This Privacy Policy explains how we collect, use, and protect your information when you use our app.

2. Information We Collect

- **Usage analytics:** We use Firebase Analytics to collect anonymized usage data, such as app interactions and feature usage.
- **Device information:** Basic device identifiers and OS version may be collected for analytics purposes.
- **Receipt content:** Scanned receipts or imported images remain **on your device** unless you choose to share/export them. We **do not store your receipts on our servers.**

3. How We Use Your Information

- To **improve app functionality** and performance
- To understand **user behavior** and app usage patterns
- To **fix errors** and monitor app reliability

4. Sharing and Third Parties

- We do **not sell or share your personal or receipt data.**
- Firebase Analytics may process anonymized analytics data.

5. Your Choices

- You can **disable analytics** by not using the app or via device-level privacy settings.
- All receipt content remains on your device unless you choose to export it.

6. Data Security

- We implement reasonable measures to protect your information.
- No app can be guaranteed fully secure, so handle sensitive receipts with care.

7. Changes to this Privacy Policy

- We may update this policy. The updated version will be effective immediately upon posting in the app or on our website.
